

## Project Proposal Feedback Form

Feedback for Proposal Submitted by: Hannah Faus

Project Title: The Frequency of Key Words in Presidential Speeches Over Time

### Introduction / Background

Does the proposal include a 1-2 paragraph overview?

Yes.

Based on the background information provided, is it evident what information will be visualized?

Yes.

In your opinion, does this section provide the information one would need to understand the visualization? If more explanation is needed, please describe any additional information you think would be helpful.

Yes, it does.

Comments:

It will be interesting to see if there are similar goals or a progression of goals over time!

### Audience

Does the proposal identify a reasonable audience for the visualizations?

Yes.

Comments:

N/A

### Dataset(s)

Is / Are the dataset(s) to be used in the project identified?

Yes.

Does the proposal include a way to access the dataset(s)? If not, is there an explanation provided for why that access is not currently available?

Yes.

Are the size of the dataset and dimensions included in the dataset described?

Yes, the amount of speeches being used is listed.

Are there any anticipated data quality issues? If so, does the proposal include a plan for handling those issues?

No.

Comments:

N/A

### Proposed Visualization

Does the proposal describe the visualizations that will be created?

Yes.

Does the proposal describe interactivity that will be included in the visualizations?

Yes.

Does the proposal provide example images for the types of visualizations that will be included?

Yes.

Comments:

I think it'll be cool to visualize this way!

### Plan

Does the proposal describe the tools that will be used to complete the project?

Yes.

Provide your feedback regarding the proposal's ambitious Plan A.

I really like how you intend on separating them into separate topics so that the users can be more aware about which phrases are associated with the different topics.

Provide your feedback regarding the proposal's fallback Plan B.

I think that even though this is a backup plan, this is a great option as well in order to see what words an individual president used. I really like the idea of being able to compare both of the candidates side by side. Provide any additional comments you have regarding the proposal below.

N/A
